

BE PREPARED FOR YOUR

FIRST VISIT

Your initial appointment will consist of a consultation explaining your diagnosis and treatment options. Occasionally, surgery can be performed on the same day as the consultation. However, a complex medical history or treatment plan will require an evaluation and a second appointment to provide treatment on another day.

PLEASE ASSIST US BY PROVIDING THE FOLLOWING INFORMATION

A list of medications you are presently taking.

If you have medical or dental insurance, bring the necessary completed forms.

Your surgical referral slip and any x-rays if applicable.

IMPORTANT: All patients under the age of 18 years of age must be accompanied by a parent or guardian at the consultation visit.

Please have nothing to eat or drink eight hours prior to your surgery.

You will need an adult to drive you home.

Please alert the office if you have a medical condition that may be of concern prior to surgery or if you are currently taking any medication

We are excited to see you!
