OUR REFERRING OFFICES

This year, we've embraced continuous improvement and growth. As 2021 begins to wrap up, we reflect on the year as a practice. We introduced Dr. Timothy J. Bunnell as an official partner of Central Valley Dental Implant and Oral Surgery Institute. We remained open throughout the entire year to provide care to our patients, and we will be hosting a Domestic Violence Awareness Study Club.

Our number one priority is our team members and our patient's safety, health, and well-being. It is during these times that community is more important than ever. Now is the time to surround yourselves with – and lean into – those in whom you find support and strength.

STUDY CLUB DOMESTIC VIOLENCE AWARENESS

We are teaming up with Tulare Kings Dental Society to raise awareness and support for those who struggle with Domestic Violence. Please join us on October 14th, 2021, at the Wyndham Hotel in Visalia, at six in the afternoon, as we welcome Alma Borja, the program manager of the Advocacy and Legal Services at Family Services of Tulare County; and Jennifer Lopez, the program manager for Karen's House, a domestic violence emergency shelter. We will be providing hors d'oeuvres and accepting donations for The Serena Schoeder Trust Fund. All Doctors and staff are welcome to join.

VETERANS DAY PROMOTION

To honor and support those who have served our country, we want to give back by treating Veterans to free extractions on November 11, 2021. All four office locations are reserving the day for Veterans in need of minor extractions. For this day only, please refer patients who do not require medical clearance, are local or nitrous tolerant and are not on any blood thinners. If a patient does not meet these requirements, give our office a call, and we will accommodate their needs. We hope that this small service will be of benefit to those who have selflessly served us.
