## VETERANS DAY PROMOTION

Friday, November 11th, 2022

To honor and support those who have served our country, we want to give back by treating Veterans to free dental extractions on November 11, 2022. Our Visalia, Tulare and Hanford office locations are reserving the day for Veterans in need of minor extractions. For this day only, please refer patients who do not require medical clearance, are local or nitrous tolerant, and are not on any blood thinners. If a patient does not meet these requirements, give our office a call, and we will accommodate their needs. We hope that this small service will be of benefit to those who have selflessly served us.

## GIVEAWAY

SIX FLAGS MAGIC MOUNTAIN

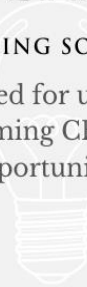

We're sending two referring dental offices to Six Flags Magic Mountain!

Check out the details on the back of this newsletter.

## BLUEPRINT

COMING SOON...

Stay tuned for updates on upcoming CE credit opportunities.

## WISDOM TEETH

SCHEDULE TODAY!

According to the American Dental Association, wisdom teeth should be removed if they become infected, cause damage to other teeth, show signs of decay, or are periodontally compromised.

## TO OUR REFERRING OFFICES

As we take on these Summer months, we look forward to what's to come. We have welcomed many new faces to our teams, transitioned to a new patient management software, and have an exciting giveaway planned for our referring offices. We recognize and appreciate the continuous support and patience as we work through these changes to ensure an effective and efficient workflow in and out of our office.

We strive for a personal and curated touch in everything we do. From crafting this newsletter to posting on Instagram and Facebook, we hope to show you new and familiar parts of our practice. A nod to our referring offices for always participating and interacting on our social platforms. Most of all, thank you for your loyalty to our practice. We appreciate you all more than you know!

### Attention Thrill-Seekers:

Take your team to Six Flags Magic Mountain this Summer!

1. Like us on Facebook and Follow us on Instagram with your referring office's business account. Only submissions on company accounts will be entered.
2. Share a photo or short video giving Central Valley Dental Implant and Oral Surgery Institute a shoutout on your office's business account. Make sure to tag us so we can view it! Posts published to the feed or stories are acceptable.
3. Please have all employees featured in the post.

Two referring offices will each win 16 general admission tickets to Six Flags. Winning offices will be contacted by Tuesday, July 26th.

## WISDOM TEETH EXTRACTIONS

Summer is the most convenient time for patients to schedule wisdom teeth extractions, especially for those who are in school. This gives ample recovery time without having to take days off. As appointments start to fill up, we have designated several days throughout the summer specifically for wisdom teeth removal. Give our office a call for more information.

We continue to provide the option of same-day consult-surgery for the patients who have been referred to our office. This appointment includes both the examination and the surgery, eliminating the need for several visits.

As always, we look forward to welcoming new patients to our offices!

### Why should I have them removed sooner than later?

## HAPPY BIRTHDAY DR. SPENCER ANDERSON!

We cannot say enough about the quality, care & compassion we received with Dr. Anderson!

## ORAL CANCER AWARENESS

Over 50,000 Americans will be diagnosed with oral cancer this year. Performing self-exams is key when it comes to early detection.

## STUDY CLUB

NEW DIGITAL DENTURE PROCESS

Join us for our next Study Club on May 26th as we welcome Ramon Alsua, president of Unident Dental labs.

## ORAL HEALTH & NUTRITION

Oral health and nutrition go hand in hand. Nutrition affects the health of the tissues in the mouth, and the mouth's health affects nutrients consumed.

## TO OUR REFERRING OFFICES

The American Dental Association recognizes April as Oral Cancer Awareness Month. Oral health organizations educate patients and clinicians alike about the significance of early diagnosis in improving survival rates. We share the oral cancer self-exam recommended by the American Association of Oral and Maxillofacial Surgery in this newsletter.

...

We have a giveaway planned for our Instagram and Facebook followers. Set your reminders for Trivia on April 28th at noon! Four lucky followers will win two tickets to Dan + Shay at the California Mid-State Fair in Paso Robles. You can find details on the back!

...

We view our practice as an extension of yours. It is an honor to deliver beneficial oral health results to every patient. We give the most thoughtful thank you to our referring offices as we work as one to provide excellent care to our community.

## To Our Referring Offices

This year, we are turning our focus inward to honor the inner strength, dedication, and endurance that has pulled us together – and through – some of the most significant challenges in our careers and personal lives. Working as a collective in health and through a global pandemic has taught us that we all thrive when we create a daily self-care practice and prioritize wellness for others. Thanks to our referring offices, we will add even more brilliance to this upcoming year through their dedication to resilience.

## Gum Disease Awareness

GUM INFLAMMATION

HEALTHY GUMS

GINGIVITIS

PERIODONTITIS

February is Gum Disease Awareness Month. Gum disease, also called periodontal disease, is an infection of the tissues and bone that supports our teeth. The number one cause of gum disease is poor dental hygiene. Neglecting to brush and floss every day can allow plaque to build up and start the inflammation of the gingiva or the gum around the base of the teeth. This February, let us fight gum disease and promote oral health by implementing healthier foods and habits.

## GIVEAWAY

### *Trivia Edition*

On January 25th, 2022, we will be asking our followers a set of fun and easy questions about our Doctors in our Instagram and Facebook stories.

The first four followers to answer all the questions correctly will win a Bose SoundLink Flex Bluetooth Speaker!

Winners will be announced  
January 27th, 2022.
